**DETAILED ACTION**

***Claim Rejections - 35 USC § 112***

1. Claims 10-11, 13-15 and 18 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claims 10, 15 and 18 the recitation of “a closed end” of the filter housing is a double inclusion of the closed end of the filter housing now recited in the independent claims (in claims 10, 15 and 18 “a closed end” should be “the closed end”).

Claim 11 is inaccurate to the invention because there is no one embodiment of the invention as disclosed that has both a burst foil and a generant cup and rupture lid (i.e., Figure 5 has the foil 50 but no cup and lid).

***Allowable Subject Matter***

2. Claims 1, 3-9, 16 and 19 are allowed.

3. Claim 11 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

4. Claims 10, 13-15 and 18 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

***Conclusion***

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
